

Delphi Project Foundation

Reliance Standard Life Insurance Company established Delphi Project Foundation in 1996 to support educational and cultural causes in the City of Philadelphia.

Delphi Project Foundation provides INNOVATIVE and IMPACTFUL arts education and career training programs to positively affect underserved Philadelphia public school students. Delphi Project Foundation partners with The Philadelphia Museum of Art, Pennsylvania Ballet, and The Philadelphia Zoo to offer rich, immersive experiences at world-renowned cultural institutions.

The Delphi Project Foundation programs bring exceptional arts experiences to students as well as:

- Build self-esteem
- Enhance critical thinking skills
- Expose students to career opportunities
- Provide students with a safe and enriching place to gather

Delphi Project Foundation

Philadelphia Museum of Art Delphi Project Foundation Programs

Delphi Project Foundation supports numerous visual art programs at the Philadelphia Museum of Art. The programs include: *The Delphi After School Art Club*, *Delphi Art Partners*, *Delphi Art Futures*, *The Teen Sketch Club*, and *The Delphi Summer Teen Media Program*. These in-depth experiences include after school, artist-in-residence, and summer programming.

- Students have access to the Museum's world renowned collection through customized gallery tours
- Students create artwork inspired by the collection using high quality artistic materials
- Classes are taught by professional teaching artists and the Museum's award winning Education Staff
- Student art exhibitions are displayed and celebrated at the Philadelphia Museum of Art and other locations throughout the City

Each year students from 19 schools and community organizations throughout the City of Philadelphia participate in the programs.
