### SECTION 3 | Tax Withholding

#### For Federal Income Tax Withholding (Only select one option):

Withdrawals received from an annuity contract are subject to federal tax withholding at a rate of 10%. Withholding only applies to the portion of the disbursement that is taxable. You may elect not to have taxes withheld by completing IRS form W-4P for recurring payments. Federal income tax of 10% will be withheld from the taxable portion of each payment if no election is made.

- I do not want federal income tax withheld from my payment.
- Please withhold the default rate of 10% for federal income tax.
- Please use the enclosed W-4P for federal income tax withholding.
  - This form is accessible through the IRS.gov website.

**Not withholding federal taxes or not withholding sufficient federal taxes may impact the need for you to pay estimated taxes. You are responsible for the payment of estimated taxes as indicated by the IRS on forms W-4P. Please consult a tax advisor regarding tax withholding as it pertains to your individual situation.**

#### For State Income Tax Withholding (Only select one option):

Please refer to the "Withholding Election & Important Tax Notification" in the instructions section of this form regarding specific state withholding information.

- I do not want state income tax withheld from my payment.
- Please withhold \_\_\_\_\_% or \$\_\_\_\_\_ state income tax from my payment.

### SECTION 4 | Systematic Withdrawal (Only select one option)

#### Payment method type (Only choose one option)

- Maximum Penalty-Free Amount
- Fixed Dollar Amount  
\$ \_\_\_\_\_ Is this amount Net or Gross?  Net  Gross\*
- Interest Earnings (For contracts beginning with the letters K or RA, please see section 5.)
- Annual Percentage \_\_\_\_\_ %

#### Please send my payment

- Monthly
- Quarterly
- Semi-annually
- Annually
- on the contract anniversary date

Please begin payments on \_\_\_\_\_  
Date (MM/DD/YYYY)

#### Important Information

- For fixed interest annuity contracts and the fixed interest strategy, interest is credited daily and compounded annually. If you select to withdraw your accumulated interest on a systematic basis, the effect of annual compounding will be lost, and your effective interest rate will be lower than the stated interest rate.
- Interest earnings systematic withdrawals are not available for Keystone Equity Contracts beginning with K or Reliance Accumulator Contracts beginning with RA. Please see section 5 for information regarding the withdrawal of index interest on a systematic basis.
- The amount of each systematic withdrawal payment must be equal to or greater than \$50.00.
- When either Max Penalty Free or Annual Percent withdrawals are selected, the annual payment amount will be pro-rated over the number of remaining payment modes for the current contract year. Example: Max free of 10% and monthly mode with 5 months remaining in the contract year. The amount of each systematic withdrawal would be approximately 2% (10% divided by 5).
- If a First Payment Date is not elected in this Section, the First Payment Date will default to the day this form is received in good order. If this form is received after the First Payment Date requested, the first payment will be processed on the day this form is received in good order.
- Systematic withdrawals cannot begin until after the "Right to Examine" or the free look period expires.

\*If you do not elect Net or Gross after the withdrawal amount above, your withdrawal(s) will be processed as a Gross withdrawal.

## SECTION 5 | Annual Systematic Earnings Withdrawal (Pro-Rata Disbursement Option)

Please read the following points before selecting this option.

- This option is only available for Index Annuity contracts (Keystone & Reliance Accumulator).
- The systematic withdrawal payment mode for this option is only available on an annual basis. No other payment mode/frequency is available.
- The systematic withdrawal payment for this option will be processed on the anniversary date of the contract.
- All interest from the indexed strategies and the fixed strategy, not to exceed the 10% penalty free amount, will be disbursed.
- By selecting this option, you are authorizing Reliance Standard to process a reallocation transaction after the annual disbursement is processed to maintain the allocation percentage to the last requested allocation or reallocation percentages.
- Requests to change future allocations will be processed after the next contract anniversary and after your annual systematic withdrawal has been processed.
- Because the annual systematic withdrawal of earnings is processed after the anniversary, the amount disbursed will reduce the remaining penalty-free amount for the current contract year by the amount of the disbursement.

Check this box if you have read the information above and want to elect Annual Systematic Earnings Withdrawal option for your Reliance Standard - Keystone or Reliance Accumulator index annuity contract. Please complete the payment information under Section 6.

**Withholding Election & Important Tax Notification**

- The taxable portion of a withdrawal from an annuity contract is considered ordinary income for tax purposes. RSL is required to withhold federal taxes (and state taxes where applicable) from any withdrawal, unless you opt out of income tax withholding and provide your social security or tax ID number.
- Even if you elect not to have federal income tax withheld, you are liable for payment of federal income tax on the taxable portion of your withdrawal and RSL is obligated to report this information both to you and to the Internal Revenue Service (IRS). If your payment of estimated tax and withholding, if any, is not adequate, you may also be subject to penalties under the estimated tax payment rules. Consult your tax advisor or IRS Publication 590 for more information.
- If you are a U.S. citizen/legal resident/resident alien and the withdrawal check is sent outside the United States, RSL is required to withhold federal tax.
- Any taxable portion of the withdrawal you are requesting will be subject to ordinary income tax and possible 10% federal income tax withholding. If the withdrawal is taken prior to age 59½, a 10% IRS penalty tax may also apply.
- A foreign person is subject to U.S. tax on its U.S. source income and a mandatory 30% withholding may apply in certain instances (for tax treaty information and eligibility for a reduced rate, see IRS Publication 515).

**Non-Qualified Annuity Plans:**

If you do not complete Section 3 for non-qualified annuity plans:

- Reliance Standard will automatically withhold federal income tax of 10% on the taxable portion of your withdrawal(s).
- Reliance Standard will withhold state income tax in states where it is mandatory (see sections a, b, and c below).
- Reliance Standard will not withhold state taxes if you reside in any of the states listed below in section “e”.

**Traditional IRA & Inherited IRA Plans:**

If you do not complete Section 3 for qualified annuity plans, Reliance Standard will automatically withhold 10%.

- Reliance Standard will automatically withhold 10% if an amount less than 10% is indicated.
- Reliance Standard does not withhold federal or state income taxes from or provide tax reporting on Custodial IRA, Custodial Roth IRA, or annuity contracts owned by a Pension Trust (e.g., 401(k), H.R.10, 401(a) and 412(e)(3)).

**State Income Tax**

State income tax withholding requirements vary depending on your state of primary residence at the time of the withdrawal.

- The following states require mandatory state income tax withholding when federal income tax is withheld (AR, CA, CT, DE, IA, MA, ME, NC, OK, OR, VT). In these states, when you indicate a federal income tax withholding rate and you do not indicate a state income tax withholding rate or enter a rate less than your state’s minimum withholding rate, we will automatically withhold state tax at the minimum rate required by your state.
- Residents of CA, DE and NC may elect to not have state income tax withheld by submitting IRS Form W-4R depending on the transaction type.
- If federal income tax is not withheld, state income tax withholding is not required for the states listed above except for residents of CT, DC, MI and MN where minimum state tax withholding applies even when federal income tax is not withheld. If you live in one of these states and do not wish to have state income tax withheld, you must remit the appropriate IRS Form W-4R indicating zero withholding.
- The following states allow voluntary state income tax withholding (AL, AZ, CO, GA, ID, IL, IN, KY, LA, MD, MO, MS, MT, ND, NE, NJ, NM, NY, OH, PA, RI, SC, UT, VA, WV, WI). In these states, RSL will withhold the state income tax at the rate specified in section 3.
- The following states do not allow state income tax withholding (AK, FL, HI, NH, NV, SD, TN, TX, WA, WY). In these states, state income tax will not be withheld regardless of the rate entered in the state tax withholding field in section 3.
